### Locks Appeal!

I was a bit of a punky chick all the way through college but, soon after graduating, I got an interview to work for a posh hotel chain so I needed a makeover and fast! Luckily, one of my sister's mates, Andrea, is a hairdresser and she agreed to give me a restyle at her home one evening.

"Bi," I answered. "And she doesn't know. "She doesn't know I am, either, said Andrea. I was a bit shocked but it sort of made sense if you knew Andrea, and now things got a bit flirty between us.

When she was washing my hair she kept massaging tingly points on my scalp and shoulders, and as she combed my hair through, her tits kept brushing up against my back.

We caught each other's eye in the mirror, and then she dropped a big, long kiss on my mouth. I stood up and Andrea undressed me, stretching it tight against my pussy and watching my wetness soak through the skinny gusset. And it got wetter as she began to lick it.

It felt a bit weird messing around with my sister's mate like this. Then she pulled the knickers right up into my slit and started to stroke my labia. "At least someone did a decent job of shaving your pussy," she said. I'd done it myself, but if she wanted to imagine me, legs splayed as another girl removed my pubes, I wasn't gonna spoil the fantasy!

She couldn't wait any longer and pulled them to one side, to expose my snatch which was nice and sticky by now. She dipped a couple of fingers inside me, then pulled them back out so we could taste my pussy off them. She kind of "went down" on her own index finger while I sucked the middle one, then we had another, juice-flavoured kiss before she got properly stuck in. She splayed me as wide open as she could, hooking a leg over each arm of the chair. Then she used her thumbs to pull my twat open, fingers on my clit as her tongue thrust and wiggled in my hole. She got me off so fast, my breath coming hard

and heavy as my crotch tingled and went taut. Then she sealed her lips over my hole as my orgasms forced out my juices. She kept on sucking until I couldn't cum any more.

I did actually get my hair done – luckily before I gave Andrea a bit of tongue treatment in return. She was so shaky after cumming, I had to do my own blowdry!

I also got the job so I've got some champagne for us to celebrate with, as a way of thanking her. I'm intending to trickle it down her slit so I can drink it out of her pussy, blending with her creamy cum-juices... Shay, Port Talbot.

# LAUREN

What's not to love about Lauren, she's smoking hot, filthy as fuck and she's got tattoos and a rather tasty looking piercing too! "What about the fact that I'm fucking a ridiculously rich guy and I'm living in his huge Surrey mansion! And to top it all off he's got a massive dick that rivals his bank account!" Not sure that's going to make our readers love you, but they can certainly enjoy wanking over your photos!

# REAL WIFE SEX

Who doesn't enjoy some good cock munching?

"My mouth slurped on his cock, and I felt his hands holding me either side of my face, as he willed me on."

biting

My boyfriend and I have been together for seven months, and we've tried just about everything when it comes to shagging. From reverse cowgirl to standing, from outdoor danger sex to the mile high club, noth-ing seemed new anymore, until we started playing around with different types of food and drink, Like 9 & a Half Weeks.

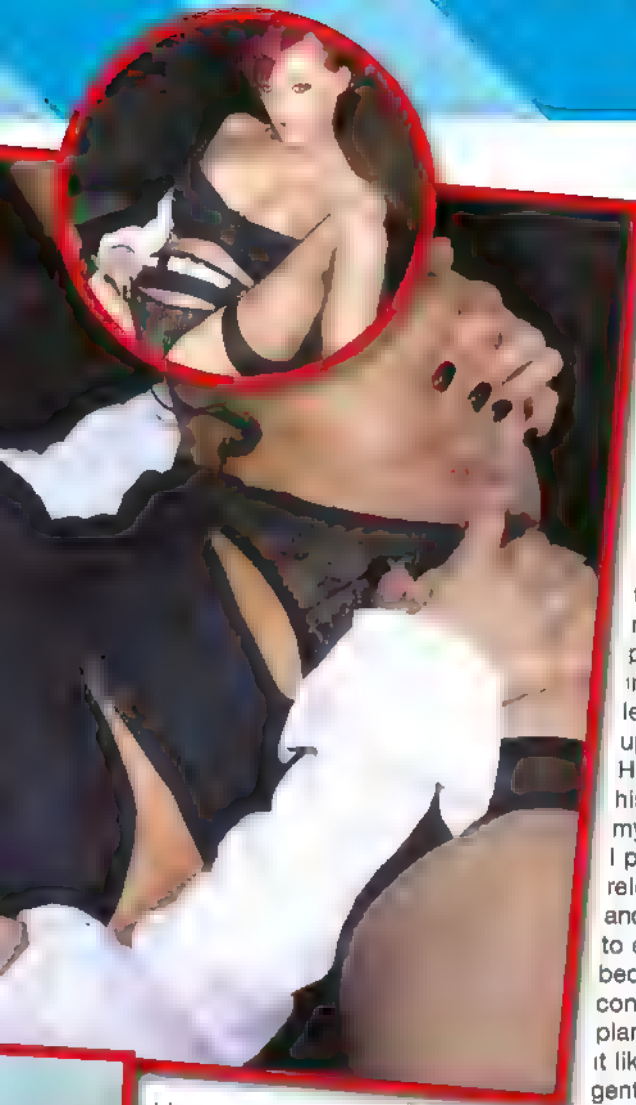

Iain started it all when he decided, one day, that it would be a good idea to go down on me with an ice cube clamped between his teeth. After stiffening my nipples and teasing my body with it, he ran the freezing lump slowly across my clit, smiling as my pussy immediately spasmed – a sign, in his eyes, that he was doing everything right – but the

cold only made me lose sensitivity. Once he'd decided I was nippy (and nippy!) enough, Iain began to warm me up again with his tongue. The minute I started groan-ing and whimpering, he popped the ice cube back in his mouth and froze me again! We went on like that for about an hour, until his mouth was so cold that I could hear his teeth chattering! I must have cum six or seven times, and my pussy tingled like mad from the curious mix of hot and cold sensations for ages afterwards.

So how did I pay him back? Easy. Iain loves it when I suck

his cock (show me a man who doesn't!) and I like to think I'm pretty good at it. I can't deep throat, but I don't mind the taste of spunk and quite often I love to let lain cum down my throat while I look him straight in the eye. That usually makes his balls explode. But I wanted to get him back, right? So I walked through to the kitchen on shaking legs and came back with the absolute ultimate: crème de menthe. If he was going to freeze my pussy, I was going to warm his dick up! I swigged a mouthful of the cool but fiery liquid and swished it around my mouth, then enveloped his circumcised cock with one gulp. The air hissed through lain's teeth as the mixed sensations of cold liquor and not mouth surrounded him. Then, as the booze started to warm up on his helmet, I began to slide my mouth slowly down his shaft, swallowing as much of his length as I could fit in my eager gob. lain doesn't have a massive cock (I've never measured it,

but I reckon it's about six inches long and quite thick), but I still can't seem to get it all in my mouth. There's always that couple of inches at the base that don't make it in. Not tonight. Maybe it was the booze relaxing my throat, I don't know. Whatever it was, I just found that my mouth slid further and further down his cock until my nose nestled in his pubes. I could tell lain was impressed from the way he leant back on the propped up pillows and said, "Fuck!" He arched his back, pushing his cock and balls as far into my face as he could. I pulled my head back, almost releasing his prick totally, and then moved my hands to either side of him on the bed so that our only physical connection was his cock firmly planted in my mouth. lain loves it like that, and he started to gently slide his cock in and out of my mouth, moving in rhythm with me. I took as much of him as I could, puffing my cheeks out and

letting him fill my mouth with his pulsing rod. His cock was the hardest I'd ever seen it; I could feel every ridge and vein as it slipped along my tongue and to-wards the back of my throat. As lain started to get a little carried away with his thrusts, I pulled away and took another small sip of the liqueur, swirling it around my mouth. Then I engulfed his shiny helmet again, and concentrated on that for a few minutes, running my tongue over its silky smooth surface and dipping my tongue into his little cock slit. Droplets of pre-cum coated my tongue, although the salty liquid stood little chance on my taste buds compared to the all-powerful crème de menthe! lain was starting to pant now, and I knew he was getting close. Lying on my stomach between his legs, I grasped his shaft at the base and started to suck him off properly. I slid my mouth down the length of his prick and drew it back up, brushing my firmly closed lips against the ridge of his helmet. I felt lain's legs tremble

beside me, and sped up my action. My mouth slurped on his cock, and I felt his hands holding me either side of my face, as he willed me on.

I increased my grip on his cock and started to wank him into my mouth in time to my cock sucking action. I felt lain's cock grow in my mouth and his straining helmet banged against the back of my throat.

Within a couple of strokes, lain announced in a strangled voice that he was cumming, and I relaxed my grip slightly to let him ejaculate.

Thick, hot streams of cum exploded into my mouth, and I cradled each spurt in my tongue as it hit, keeping it all.

The thing was, I couldn't taste any of it thanks to the liqueur, so as lain's spasms decreased, I continued gently sucking until I'd taken his entire load into my mouth. I pulled my face away and slipped a finger into my mouth, pulling out a long, silvery string of his spunk. I wrapped it around my mouth, looked him in the eye and then knocked my head back, swallowing the lot.

I am pleased to say that, for once, lain was utterly speechless!

Crème de menthe is still our favourite but tonight we're going to try out some cool liqueur coffee on my pussy! Yum! Ruth, Hartlepool

## FRUMPY PUMPY!

I work with a bloke called Nick. Funny as fuck, but he really brings out the childish side of me! We're always taking the piss out of certain colleagues, and we got a bit fixated on this girl called Alison.

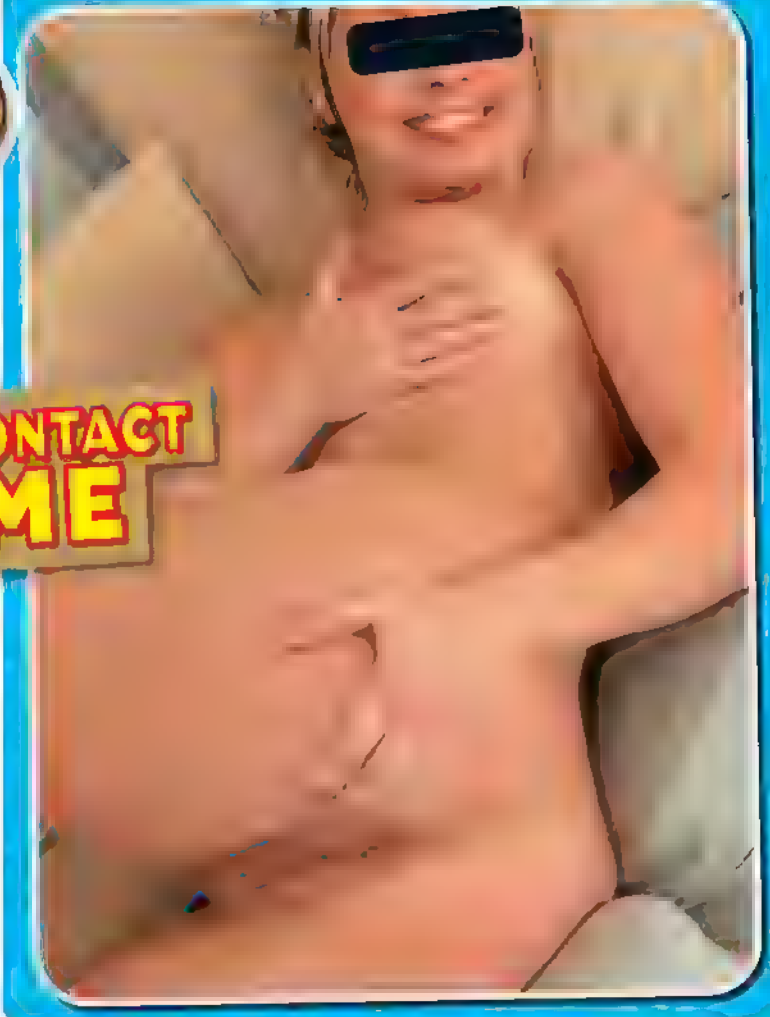

It wasn't that she was a dog, just that she had really frumpy dress sense for a girl who wasn't even anywhere near 30.

But Nick got it in his head that she was a right nympho deep down.

It just got more and more stupid – he'd make comments about her having suspenders on under one of the horrible skirts she always wore, then edible knickers, then it would be that she went commando,

but had a butt-plug up her arse. That the boss inserted every morning. Try keeping a straight face when you're getting that in emails at the most awkward time. We also set up a challenge – first to fuck her. I took it as a joke but should have known Nick wouldn't. I hate to lose a bet, though, so when I saw him chat her up at an office drink-up, I steamed in too. Of course, he told her I was only trying it on for a bet – he's louder than me but I've had way more fanny than him. Then she just said, cool as, "I'll shag whichever of you is up for it. Both, if you want." We all left separately and arranged to meet back at mine. Just as I was thinking

they'd copped off and left me to play with myself, the doorbell rang – Alison. Now I was tempted to lock Nick out and have her to myself, but I wanted him to see me win the bet. I started snogging her, stripping her off like I couldn't stop myself.

Fair play, she was stunning naked, really curvy. I snogged her, groping her tits and she actually grabbed my hand to move it down in between my legs.

She felt so juicy and I got her down on the floor – and sure enough, by the time Nick arrived and let himself in through my unlocked door, I was in her down to the nuts.

Bet won. Fair enough, that makes me sound like a shit but I'll be honest, I was fucking her because I fancied her. And Nick was looking at her like, is this the same woman? She'd gone from this mousy bird to a moaning, wriggling slut, splaying her legs and telling me to fuck her harder – or else she'd see if my mate could do better! Nick was aching to get up her but he wasn't even getting a sucking just now. I was nailing her arse to the floor with every thrust, her hand wedged in between us, diddling her clit. I felt her snap vice-tight then spasm around my meat, which set me off too.

I pulled out, rolled over to one side and Nick, now stripped off, steamed in again, splaying her open so he could watch my jizz pour out and down her crack. Then he got a couple of fingers up her arsehole, pumping them in and out while she kept on rubbing her clit. Her pussy hole was winking open and shut, oozing cream. Then he rolled her on her

# MELODY

In a recent poll of 100 men, they were asked what their biggest regret was in life, and unsurprisingly they pretty much all said that getting married was at the top of the list! And hands down we'd have to agree with them! After all, every one of the guys in the office has been married and apart from one of us we've all been divorced, at least once! "Surely seeing me in my wedding dress and looking all virginal should be enough to make any guy take the plunge," Melody told us. You're right there Melody, our readers would love to take a plunge inside you, but it would be nice to do it with a signed pre-nup attached!

# AVA DELUSH

In the past Ava has always turned up with sexy lingerie and high heels, so jeans and funky trainers caught us a bit off guard! "What's the problem, at the end of the day I'm showing tits and arse, who cares what clothes I took off?" Ava told us. To be fair she's got a point, and we'll never get bored of that hairy bush!

Whipping up something nice, and dropping her knickers in the kitchen, is the delightful and ever so nasty Cassandra. "I love to lay on a feast for my fella after he's had a hard day at work," Cassandra tells us with a cheeky grin on her face. "For the first course I'll spread my legs and let him devour my tasty twat, then he likes to have a play with my bangers. And finally I'll let him smash my gash!"

belly, pulled up her hips and lammed right into her. If he couldn't fuck her first, he was going to fuck her harder, and she was really sucking it up, cumming hard, tits slapping together, like an echo of his crotch hitting her arse.

But as he reached the edge he pulled out, flipped her over and spuffed on her tits. She just lay there with a big, dirty smile on her face, playing with the ropes of it until they melted into her skin. Then I crawled over, offered her my cock to suck on and she took it. First blow job off her, so 2-1 to me, but I think we soon lost count of who scored what! Nick can be a gobby twat at times, and I cringed later as he asked Alison why she dressed like she did. She explained she'd got ticked off in her last job for dressing too slutty, so maybe she was overcompensating. Nick said she should risk going slutty again, and so far nobody's complained. Nobody gets

any work done either, but there you go... Danielle, Swansea.

## MY WAY!

When my friend Taryn held a big New Year's Eve bash at her place, I – being a really good mate – agreed help her clear up the next day. I found this bottle of raspberry liqueur with a couple of inches in the bottom and asked should I just chuck it, but she said no, we'd finish it off now. We'd already been chugging the last bottle of wine as we cleaned.

It was nice but way too sickly to drink straight as a shot. Then Taryn started dipping her fingers in it, and sucking it off them. She's a well-stacked girl – get her pissed enough and her party piece is sucking her own nipples. So, for a laugh, she rubbed a bit on her left teat and lifted it to her mouth. She dared me to have a go at sucking my own baps. I

told her they weren't big enough but she insisted. I couldn't and, as the liqueur started to trickle down, she lapped her way up over my boob then sucked my nipple. She said maybe she should save a bit to suck off her bloke's cock, or drip some on her pussy when he went down. I asked would it mix right with pussy juice, and she said there was only one way to find out... She poured a bit over her slit then tasted it with her finger. "Mmm..." she said, and scooped out more. I wanted to try it, but she just pointed down at her snatch, daring me to lick it. "OK," I said, and took a few nervous laps. Then she told me to keep licking, saying that "nothing cured a hangover like an orgasm". It tasted good, all sweet and salty, and she dripped more liqueur on as I licked away. Then she told me to get on her face so she could eat me

too. I straddled her head and felt her tip a bit of the booze down over my crack – it didn't burn but I got a lovely, warm tingle from it. Then Taryn took her first few licks. She was so gentle at first that I hardly felt it, so I licked her harder. Then, as she got more into it, pouring on more liqueur and using her tongue to mix it in with my pussy juices, I felt the first few little twinges. I'd buck and twitch, and she'd hold me tighter on her mouth, and her tongue was fucking my cunt. I moaned

at her to suck my clit – she used her fingers on it instead, rubbing and squishing it against my pubis. I get really wet when I'm turned on and she was having to slurp and swallow to take in all my juices.

I ate her as messily as I could, too – blokes I've sucked off love it like that, and Taryn was just the same. I felt her entire crotch go taut, then throb and pump in orgasm. And as I moaned, getting my pleasure from hers, my own orgasm crashed through my body, with Taryn opening her mouth wide to get as much of her tongue inside me as she could.

Even when my spasms had died away she kept on licking, as if to take in every drop of raspberry-sweet pussy juice she could, and I got little orgasmic aftershocks as she swallowed it.

We had so much fun that I got a miniature bottle of crème de menthe for the next time I saw my boyfriend.

He took the piss, saying it was an "old biddy's drink" but, after I'd sucked him with a tingly mouthful, and he'd added to the "crème" pouring down my throat, he changed his mind. Janey, Surrey.
